It wouldn't be a party without great give-aways.

Entertainment

Al Kominek is going to be here to make sure we all have a great time.

Friendship

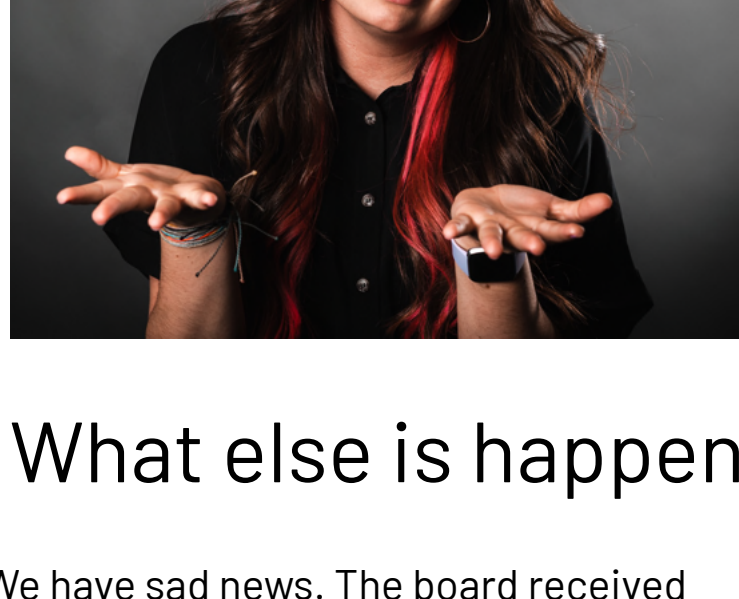

Your friends are here waiting to have a great time with you.

Did you know?

If you sponsor a new curler, you have a chance to win half your membership fee back too! And one lucky learn to curler will get their entire entry fee paid for. You can't miss out on a chance to bring a close friend to share in this sport.

What league is right for you?

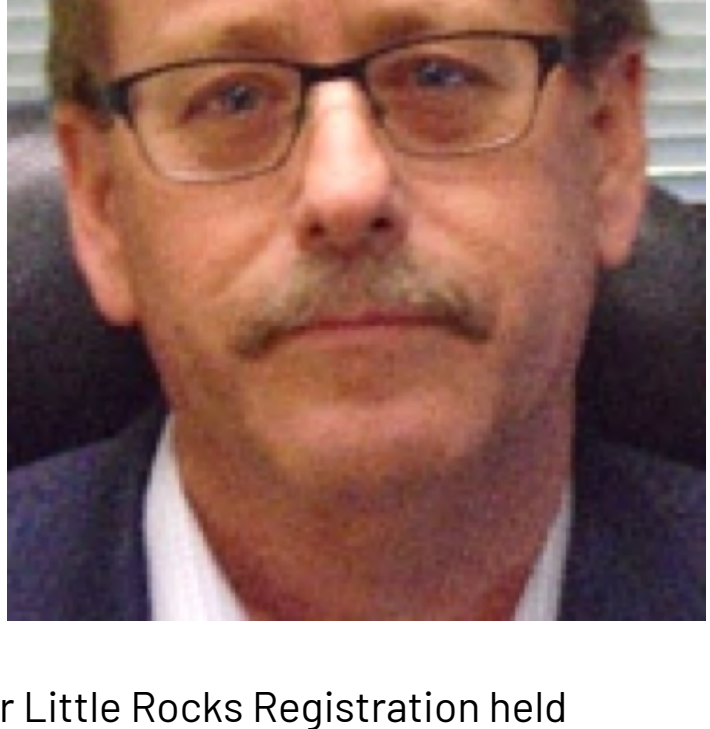

We get it. Choosing a league can be difficult if you're new to curling. Luckily, we have many different types of leagues that accomodate different skill levels. On top of that, we have a variety of atmospheres for those leagues. No matter which league you pick, you can count on sportsmanship and great social interaction.

We created a [dedicated page](#) to help you pick a great league for your style.

What else is happening at the club?

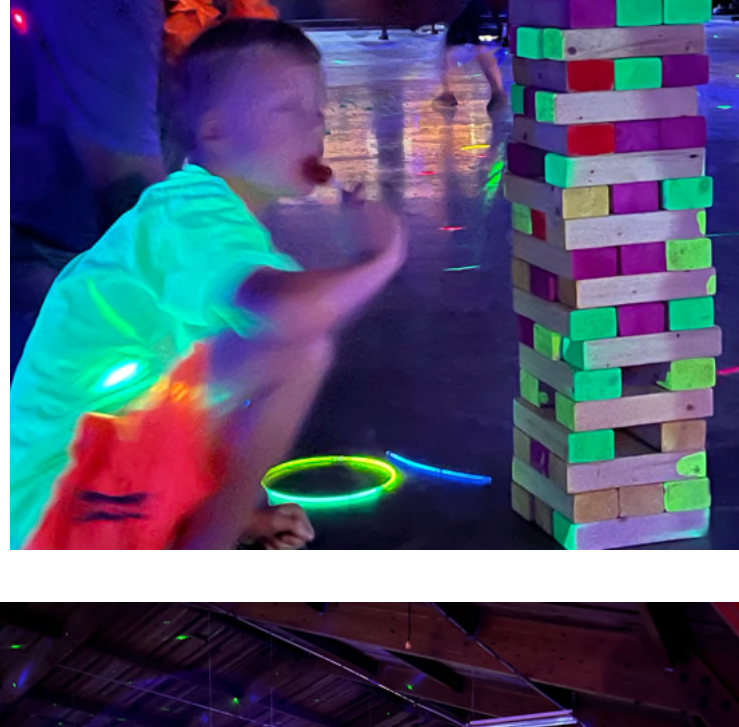

We have sad news. The board received Bruce Miller's resignation on the board in September. In his place, the current Vice President Julie Van Damme has taken on the role of ensuring we continue doing our good work.

The board is happy to announce that, through a director recruitment effort, Tobin Richardson was selected and agreed to join the Board of Directors. His admission was made official at the last board meeting.

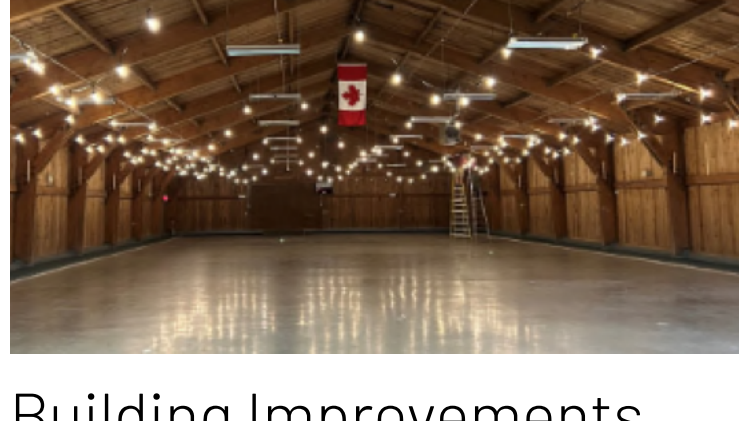

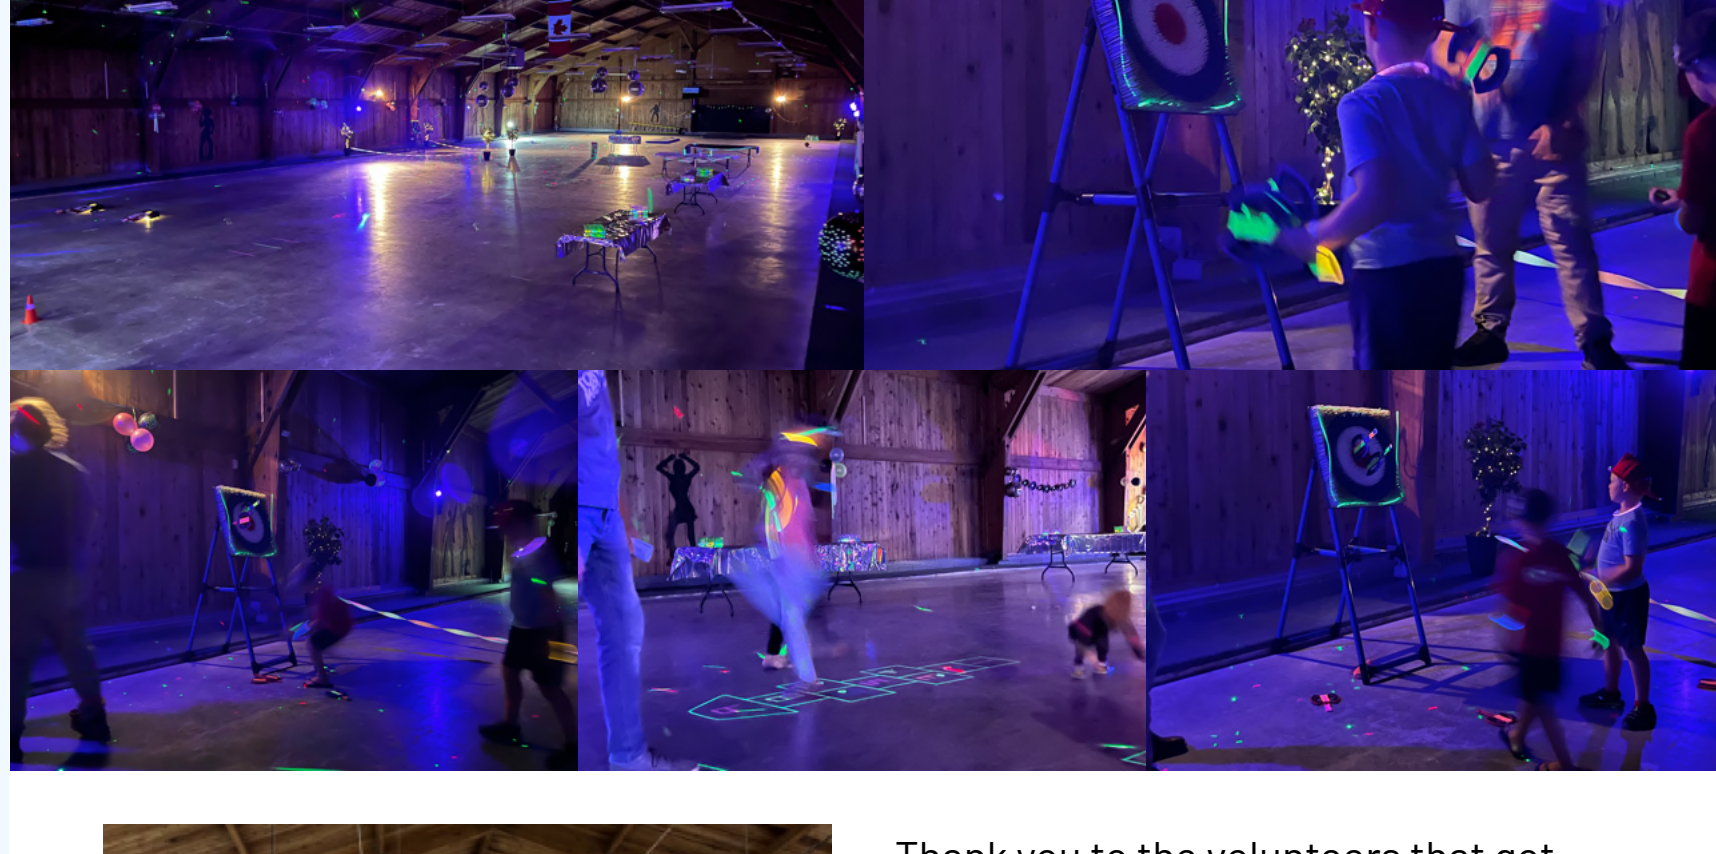

Welcome aboard Tobin! We are glad you're here.

Glow Party Success!

Our Little Rocks Registration held October 17 was a great success. With the floor full of neon and glowing games such as curling, bowling, and plastic axe throwing, children from the community were delighted with their Sunday afternoon excursion. To top it off, they finished their day with a visit to the Ice Cream Float Bar.

Over 30 Little Rockers were registered that day. Thank you to everyone who volunteered to make this event a great success.

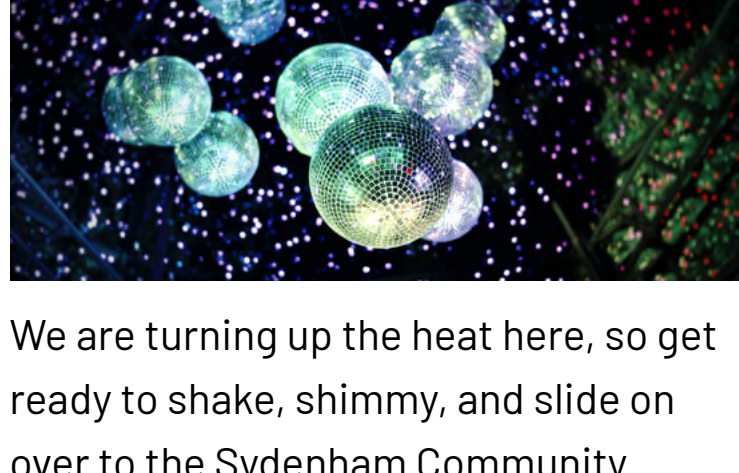

Building Improvements

Thank you to the volunteers that got the new light decorations over the rink ready for us. It looks fantastic! Come by our Empty the Fridge party to see how it looks!

The upstairs change room also received a new coat of paint and looks super fresh. Thanks Broni!
